30 OSA Members to Exhibit at Ojai Cafe Emporium Show

(Ojai, CA - August 14, 2007) The Ojai Café Emporium Gallery will host a new exhibition featuring work by 30 members of the Ojai Studio Artists. This show will present one major piece of artwork and a framed biography from each artist next to their work. The addition of the biography will allow patrons to learn more about each artist, how they work, about their techniques and more.

“We decided to add information on each artists as people like to know about their inspirations,” said Nancy Rosen, OSA member and curator of the Ojai Café Emporium Gallery. “This showcase will present the artists to local residents and visitors alike allowing them to preview more details before the artists open their studios, October 13th & 14th for the 24th anniversary of the Ojai Studio Artists Tour.”

The public is welcome to a special Artists Reception to be held on August 30th from 5-7pm at Café Emporium, where they can meet the artists and view the new show. Café Emporium will provide complimentary wine and hors d’oeuvres. The show will run August 30 - November 30, 2007.

This will be the third location exhibiting OSA member artwork during the Tour. Additionally, the Beatrice Wood Center and the Ojai Art Center will host a variety of OSA members’ artwork.

Ojai Studio Artists is a non-profit community organization working year round to promote art awareness and education. OSA funds student art scholarships, purchase art books for local libraries, support public art projects and art outreach for people of all ages.
