OJAI STUDIO ARTISTS AT THE BEATRICE WOOD CENTER

Ojai Visions to coincide with 2007 OSA Tour this October

(Ojai, CA – August 1, 2007) The Ojai Studio Artists (OSA) will be featured in a new exhibition titled *Ojai Visions* opening at the Beatrice Wood Center for the Arts on Saturday, September 1st. The show will run through the second weekend October, which is the 24th Annual Ojai Studio Artists Tour. Visitors to the tour will be able to arrive via Highway 150 through Upper Ojai, stopping at the Beatrice Wood Center to purchase tickets, review art by OSA members and begin their weekend tour.

“We are very pleased to be working with the Beatrice Wood Center,” said OSA President, Jennifer Moses. “So many of our members have used Ojai as the inspiration for artwork and fit into the *Ojai Visions* theme. And many worked with and admired Beatrice Wood.”

Curated by Kevin Wallace, the exhibition will feature members of the Ojai Studio Artists, a community organization committed to promoting art awareness and education. There will be an Opening Reception on September 1st, from 2 – 7 pm. The public is invited to view the works and meet the artists. The exhibition runs through October 14th.

In addition to the Beatrice Wood Center’s exhibition, OSA will have an exhibition representing a sample of all Tour members’ work at the Ojai Art Center, 113 S Montgomery, Ojai, and at Café Emporium & Gallery, across the street from the Art Center which will be available for viewing throughout the month of September. More details about the Tour are available at www.ojaistudioartists.com.
